PART B: PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES**

The Chief State School Officer or his/her authorized representative assures the following:

- b. The SEA will award at least 75% of its total allocation to LEAs, based on the formula set out in the final requirements. The funds remaining after subgrants are made to LEAs may be used by the Office of the State Coordinator for the Education of Homeless Children and Youth for State-level activities as reflected in sections 722(f) and (g) of the McKinney-Vento Act.
- c. The SEA will comply with, and ensure that LEAs comply with, all reporting requirements at such time and in such manner and containing such information as the Secretary may reasonably require, including but not limited to the requirements under the McKinney-Vento Act, and including but not limited to numbers of students experiencing homelessness identified and supported through ARP-HCY funding, and specific details about supports and services received by students.
- d. Within 60 days from publication of this application, the SEA will submit a plan to HomelessED@ed.gov that contains the following information:
 - i. For **ARP Homeless I**:
 1. How the SEA has used or will use up to 25 percent of funds awarded under ARP Homeless I for State-level activities to provide training, technical assistance, capacity-building, and engagement at the State and LEA levels, including support to LEAs to increase access to summer programming in 2021. This must include how the SEA has supported LEAs to plan for and provide wrap-around services, in collaboration with State and local agencies for immediate needs this spring 2021, and how it will support LEAs for school year 2021-2022. This should include the extent to which the SEA has or plans to build capacity in LEAs that have not received an EHCY subgrant in the past in order to ensure that these LEAs are well-prepared to utilize the funds provided in ARP Homeless II;
 2. How the SEA has used or will use their funds for State-level activities to provide support to LEAs to increase access to summer programming and plan for and provide wraparound services for summer 2021, in collaboration with State and local agencies and other community-based organizations; and
 2. How the SEA has used or will use at least 75 percent of funds awarded under ARP Homeless I for distribution to LEAs in accordance with all requirements of EHCY. This must include the extent to which the SEA has or will use funds to supplement existing EHCY subgrants to allow for more rapid fund distribution to address the needs of students experiencing homelessness, and the extent to which the SEA analyzed and reviewed where there are significant concentrations of students and families experiencing homelessness across the State (including in LEAs that are not existing

EHCY subgrantees), and how it has or will ensure that supports from ARP Homeless I can urgently reach them.

ii. For **ARP Homeless II**:

1. How the SEA will use up to 25 percent of funds awarded under ARP Homeless II for State-level activities to provide training, technical assistance, capacity-building, and engagement at the State and LEA levels, including support to LEAs to plan for and provide wrap-around services, in collaboration with State and local agencies, for school year 2021-2022; and
2. How the SEA will use at least 75 percent of funds awarded under ARP Homeless II for distribution to LEAs in accordance with the final requirements. This must include a description of how the SEA will distribute funds in accordance with the required formula to address the needs of students experiencing homelessness and the extent to which the SEA has encouraged or will encourage the creation of consortia for those LEAs that may not meet the required minimum formula amount.

For **both ARP Homeless I and ARP Homeless II** :

1. How the SEA will ensure that ARP-HCY supplements the support and services provided with ARP ESSER funds and does not replace the use of ARP ESSER funds to support the needs of students experiencing homelessness;
2. The extent to which the SEA will use its State-level activities funds to award subgrants or contracts to community-based organizations that are well-positioned to identify children and youth experiencing homelessness in historically underserved populations such as rural children and youth, Tribal children and youth, students of color, children and youth with disabilities, English learners, LGBTQ+ youth, and pregnant, parenting, or caregiving students experiencing homelessness, and connect them to educationally-related support and wraparound services; and
